Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted John White's office and spoke briefly with associate Daniel Smith re: additional minor amendments to place the application in condition for allowance. The examiner faxed a draft proposal to Mr. White's office. Mr. Smith indicated that the applicants reside abroad and that it would therefore take a few days to respond to the examiner's proposal. The examiner noted that she would await a response from applicant's representative, and enter an Interview Summary in the application. .
